

## Comment tenir son crayon pour écrire ?

mauvais placement du majeur.

mauvaise position du crayon.

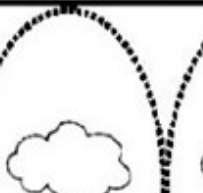

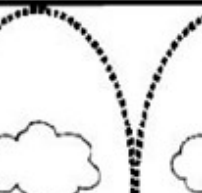

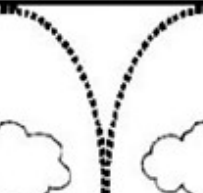

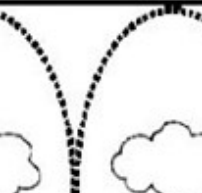

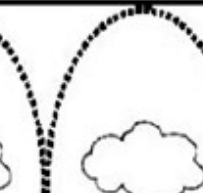

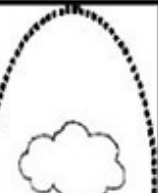

mauvaise position du pouce.

# Des ponts

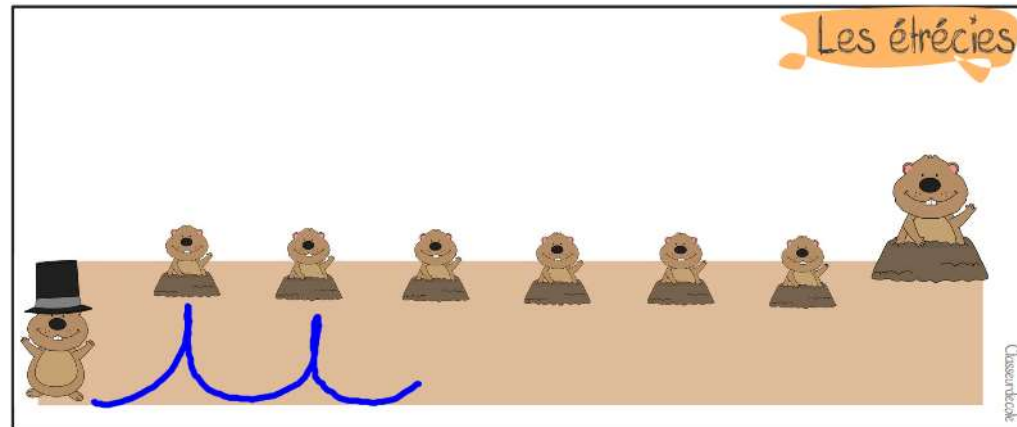

Objectif : tracer des ponts.

Consigne : les chèvress sautent au dessus des haies, trace leurs sauts.

# Des étrécies

Handwriting practice lines for the French word "étrécies". The first line shows a large grey example of the word with vertical lines indicating stroke order. The second line shows a smaller grey example with vertical lines. The following three lines are blank, each with a grey example of the word at the beginning and vertical lines for tracing.

Ecrire un et une

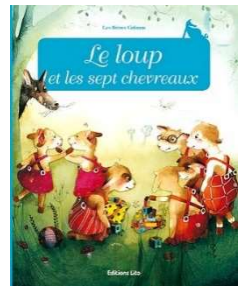

un

une

## Découvrir l'écrit - Gestes d'écriture

Je commence à écrire des mots en cursive avec les gestes graphiques connus.

Je sais choisir le bon mot. (déterminant masculin ou féminin)

Prénom : \_\_\_\_\_

Date : \_\_\_\_\_

J'écris un ou une devant les mots :
